### **SACE Condemns the killing of a Teacher in the Northern Cape**

The South African Council for Educators (SACE) is saddened by the news of the passing of Mr Kingston Vhiya, an educator at Bosele Middle school in Manyeding Village near Kuruman.

More disturbing is that the teacher was killed by a learner through stabbing which is the violence we as the Council condemn every time.

We would like to appeal to the law enforcement agencies to take a strong action against this learner as his actions are unacceptable. Whatever led to this, can never be justified.

SACE condemns this behaviour and will be in contact with the Northern Cape Department of Education to ensure that the safety of our teachers is enhanced.
