

Invitation World Teachers' Day

The South African Council for Educators (SACE), Mpumalanga Department of Education, and its partners are proud of the achievements of the teachers and therefore are celebrating World Teachers' month on October 2018.

The national event will commence on Friday, 26th of October 2018 and the MEC of Education Mpumalanga, Mr. Sibusiso Malaza, will be the keynote speaker at the celebration.

The National Celebration of World Teachers' Day aims to acknowledge and honour teachers in South Africa for the role that they play in the lives of young and learners, and the contribution that they make to society as a whole.

As part of the national celebration, eminent retired teachers and all educators (*more than 5000*) have been invited from the Mpumalanga province and will be honoured at the celebrations. The teachers were chosen as outstanding examples of service and dedication in what was especially adverse and trying conditions.

You are cordially invited to the national celebrations hosted by the SACE, and its partners:

DATE: 26th October 2018
TIME: 11:00 – 14:00
