SACE TO WELCOME BACK THREE (3) MATHEMATICS TEACHERS'

The South African Council For Educators (SACE) will this evening welcome back three (3) Mathematics Teachers who were attending a Seminar from 11 July 2023 - 31 July 2023 on Comprehensive Measures for Rural Teachers from Developing Countries in the Republic of China.

The program was sponsored by the Ministry of Commerce of the People's Republic of China and organized by the international Center For Teacher Education, East China Normal University, Shanghai, China. The seminar comprised of intensive informative lectures, travels to the museums and cultural sites.

The main objective of the seminar was to understand factors that lead to EDUCATION REFORM also looking at the China success stories, how they have managed to have high class education system which produces competitive learners in the global spaces and so on. A certificate of Attendance was issued to the Teachers upon completion of the programme.

Some of the modules learnt are:

Basic Education reform in China

Principal standards and training, leadership and management

The application of ICT

Educational supervision and school development

Mathematics education and teacher training

Council believes that this initiative will go a long way in contributing towards the Continuing Professional Teacher Development within the profession.

The Maths Teachers' to be welcomed are -

1. Matsentshe William Mathipa - Limpopo Province
2. Mr Albert Onkabetse Mohitlhi
- North West Province
3. Ms Nonjabulo Glorican Shabangu - Mpumalanga Province

The welcome will take place at Johannesburg's OR Tambo International Airport this evening at 21:00.

Members of the media are invited to attend and cover as we welcome of our Teachers.
