SACE CEO ATTENDS ECD CENSUS 2021 LAUNCH

This morning, SACE CEO Mme Ella Mokgalane was part of the ECD Census Results launch at Langhams executive conference venue in Fourways, Gauteng province.

Delivering the keynote address at the launch of the ECD Census results, Basic Education Minister, Angie Motshekga, said that the occasion to release the 2021 Census results is important to the Basic Education sector.

Motshekga emphasised that without reliable data on children accessing ECD services in their target age cohort, and the number of practitioners providing those services, the department's planning, and funding systems will likely fail to reach the poorest children most in need of public assistance.

Issued by the South African Council for Educators (SACE): Office of the Chief Executive.
