## **POSTPONEMENT OF THE 9<sup>TH</sup> AFTRA CONFERENCE AND 11<sup>TH</sup> ROUNDTABLE, GHANA, MAY 25-30, 2020**

The Africa Federation of Teaching Regulatory Authorities (AFTRA) has observed with deep concern the spread of COVID-19 across the continents and its declaration as a PANDEMIC by the World Health Organisation. As a responsible international organisation, therefore, AFTRA is bound to safeguard the health of its stakeholders. In this vein, it regrets to announce a postponement of its 9<sup>th</sup> Conference and 11<sup>th</sup> Roundtable initially scheduled to hold May 25-30, 2020 in Accra, Ghana. The events will now take place later in the year (2020) on the dates that will be made known as soon COVID-19 comes under control. The host (Ghana) and all other arrangements remain unchanged! AFTRA appreciates the understanding and cooperation of all stakeholders in this difficult situation.
