

Towa d Excellence n Educa on

The South African Council for Educators (SACE) invites all the potential providers of Professional Development (PD) (programmes, activities, long and short courses, qualifications, or part - time qualifications and skills development programmes) to apply for SACE approval and endorsement status. The submission of professional development (PD) activities that respond to the 4IR (fourth industrial revolution and the “new norm” are also welcomed). The PD activities that address the 3 Streams Model of Vocational, Technical and Academic pathways.

The purpose of this is to enable SACE to:

- Implement the CPTD Management System as per the prescripts of the National Policy Framework for Teacher Education and Development 2007 (NPFTED)
- Approve credible and quality providers of continuing professional teacher development
- Endorse quality and fit-for-purpose professional development activities that respond to the teachers’ professional development needs and the South African education system
- Enable teachers to earn professional development points through their participation in SACE endorsed activities.

The submission dates are from: 25 October to 14 November 2021.

Please note that any submission made after the 14th November 2021 will form part of the next round of applications.
